The Governor's Office has supported the SkillUp™ PA initiative by allocating Pennsylvania state tax dollars to spearhead the implementation of this online learning portal. The Pennsylvania Department of Labor & Industry was competitively awarded federal tax dollars through the United States Department of Labor - Employment and Training Administration CAREER National Dislocated Worker Grant (NDWG) totaling \$3 million. The CAREER NDWG is entirely federally funded, and 100% of these funds will be utilized to purchase licenses and further implement the SkillUp™ PA initiative over a multi-year period.
